About Big Brothers Big Sisters

Big Brothers Big Sisters, the nation's largest donor- and volunteer-supported mentoring network, holds itself accountable for children in its program to achieve measurable outcomes such as educational success, avoidance of risky behaviors, higher aspirations, greater confidence and better relationships. Partnering with parents/guardians, schools, corporations and others in the community, Big Brothers Big Sisters carefully pairs children ("Littles") with screened volunteer mentors ("Bigs") and monitors and supports these one-to-one mentoring matches throughout their course. The Big Brothers Big Sisters Youth Outcomes Survey substantiates that its mentoring programs have proven, positive academic, socio-emotional and behavioral outcomes for youth, areas linked to high school graduation, avoidance of juvenile delinquency, and college or job readiness.

Big Brothers Big Sisters provides children facing adversity with strong and enduring, professionally supported one-to-one mentoring relationships that change their lives for the better, forever. This mission has been the cornerstone of the organization's 110-year history.
