The Jack in the Box Foundation Donates \$400,000 to Trio of Charities

Big Brothers Big Sisters, Every Monday Matters and No Kid Hungry each receive \$133,333

SAN DIEGO, May 31, 2017 – The Jack in the Box Foundation today announced it has donated a total of \$400,000 to three non-profit organizations: Big Brothers Big Sisters of America, Every Monday Matters and No Kid Hungry. Each received \$133,333, raised during the 27th annual Jack in the Box® Charity Golf Tournament held April 19-20 in Palm Desert, California.

More than 400 [Jack in the Box® restaurant](#) franchisees, employees, and vendors attended the event at Hyatt Regency Indian Wells Resort & Spa. Joining the Jack in the Box Foundation as presenting sponsor for this year's event was the Jack in the Box National Franchise Association.

“For 27 years, this event has enabled our community partners to provide critical assistance in our restaurant communities to lots of deserving people, including military families and at-risk youth,” said Brian Luscomb, president of The Jack in the Box Foundation. “This year, thanks to the generosity of our participants and sponsors, we were able to expand our umbrella of giving to help three organizations instead of just one, as we've done in years past. We're especially grateful to the National Franchise Association for once again stepping up to join our foundation as the event's co-presenting sponsor.”

The donations expand the financial support that Jack in the Box and its franchisees have provided to nonprofit organizations across its system. To date in fiscal year 2017, more than \$900,000 has been donated, with additional beneficiaries including Children's Hospitals, Junior Achievement, Make-A-Wish Foundation and March of Dimes.
